

A. SAI DARSHINI

Hyderabad, India | 9876543210 | saidarshini@gmail.com

Career Objective

Motivated Computer Science Engineering graduate with a strong foundation in software development and web technologies. Seeking a software development role to apply my programming skills in Python and Flask while contributing to organizational growth and technical excellence.

Technical Skills

Category	Skills
Programming Languages	Python, JavaScript
Web Technologies	HTML, CSS, Flask
Databases	SQLite
Core Competencies	Problem Solving, Web Development Fundamentals

Professional Projects

Student Placement Management System

Full-Stack Web Application

- Developed a comprehensive web-based placement portal utilizing **Flask** for the backend and **SQLite** for data persistence.
- Engineered secure authentication modules for both student and administrative login interfaces.

- Built dynamic features for company application submissions and real-time status tracking for applicants.
- Streamlined the recruitment workflow by digitizing the application and review process.

Education

B.Tech in Computer Science Engineering

SRM College of Engineering | CGPA: 7.8
